November 2019 Alpine, CA

### Commander's Message

October went by in a flash. Starting with a memorial service for **Joseph Perry**, our great **Deep-pit Barbecue** event and ending with our annual **Halloween Party!**

November will start off with a General meeting on Saturday the 2nd because of other commitments we have during **November 11 Veterans Day** celebrations.

On Thursday, November 7th, the Viejas Band of Kumeyaay Indians is holding a Celebration & Historic Dedication for **VFW Post 7637**, which was the first **All-Native American VFW** in California.

In celebration of Veterans Day, the Post will provide **FREE hamburgers** on **Monday, November 11 for all Veterans** that are current members of the post as of Saturday, November 9th. Get your dues in right way - or sign up for Life membership so you won't have to pay annual dues in the future!

We will be serving **Thanksgiving Dinner** during the early afternoon of Thursday, November 28th. Desserts are needed, so please bring your favorite to share.

Special thanks to **Dan Christensen** and all

### Quartermaster's Report

I am happy to report the Annual BBQ was a great success with thanks to all who took part in the event. Thanks to **Dan Christensen** for his hard work to provide a great "Deep Pit" for all to enjoy. Our food partners, the **East County Transitional Living Center** did a great job assisting us with side food and other services. The Post auction brought in several thousand dollars for our Building Fund and our raffles provide additional funds to build our future.

The **Post Color Guard** is fully committed to a number of events for **Veterans Day** in November. These include:

**Shadow Hill School Community Wall of Honor** and over 100 Veterans in **Lantern Crest** home.

Our Friday and Saturday nights' chef, **Bobby Jefferies**, has taken on the role of our Sunday morning Chef. Our former chef, **Nora Heintz**, will be working full time at the Casino Inn. We wish her the best and truly thank her for her service to our Post.

I am currently serving our VFW District as Post Inspector for seven East County VFW Posts. The work has given me a deeper insight into the proper operation of a VFW Post. I hope all members realize that our

of the hard-working volunteers who helped out with the **Deep-pit BBQ**, one of our Post's most special events. And thanks to all who participated to make the event a success.

## **Auxiliary President's Message**

Happy November to all, autumn in the air and 2019 winding down. And of course, the time change! Remember to move your clocks back 1 hour on Saturday, Nov. 2. You've earned one extra hour of zzs!

October was busy with inspection (still pending resolution on our accounts in order to pass); issues came up and we are working diligently to handle everything. District 1 President **Grace** and the other District Officers (SVP **Rachel**, JVP **Maria**, Conductress **Diana** and Guard **Leanna**) were in attendance.

The October 19th Rummage sale was very well received, pending updates on monies earned.

We initiated 2 members, **Sherilyn** and **Ed**, for October, as they are very interested in assisting on future fund raisers/events. I'll be installing **Maggie** as our new Trustee #2, thank you and glad to have you on board!

We sent a \$211 check as previously mentioned to **Inner North Star** from the ice cream social proceeds.

We will be donating \$200 towards Madam District President **Grace's** project called **Cami's & K9s**. Thanks to **Linda Lockowitz** for her motion to do so, with **Linda Pipkin** seconding the motion (and with a little help from Aux friends).

The **Celebration of Life** for **Chris Pipkin** is scheduled for Saturday, Nov. 16th from 1:30 - 3:30 pm, with catered lunch (Mexican food) to be served. Please come out to support **Linda** as her life suddenly changed with **Chris's** passing on September 25. Requested attire is Hawaiian shirts, so please spread the word and report with appropriate dress.

## Honor Flight October 2019

By **Allisen Earls**

My Honor Flight of Fall 2019 was an amazing trip! Our day started very early on Friday; I met **Mary Ann** (my Veteran who served during Korean War time, and then was in the **National Guard** for a few years) at the airport. Since she was one of two female Veterans that were participating in the flight, she and I were bombarded by three news reporters at 6 a.m.

The San Diego airport staff and the **Volunteers of the Honor Flight of San Diego** make sure the events of the trip move smoothly (the regular volunteers have done this several times). They are very well-organized on this great Honor Flight so that the WWII, Korean, and Vietnam War Veterans can participate. Some Vets need wheelchair assistance 24/7; others, just a few times a day if it will be a long walk (and/or to get there sooner). **Mary Ann** and I were very excited, but there was no rush to get on the plane. We both got an aisle seat next to each other

Our Aux Chaplain **Jan Bazdorf** and I (momentarily stepping out of Aux President mode to be Dist. 1 Chaplain) read the Jewish prayer for the deceased in **Chris's** honor. Not a dry eye in the house, as everyone loved the prayer.

Auxiliary sister **Gloria Rivera's** creation of the buddy poppy wreath has been received to present to the District for the contest on Nov. 3rd.

Also, thanks to **JR Bailey** for his suggestion to have an event in memory of **Pearl Harbor Day** Saturday, Dec. 7 to coincide with meetings. He will need assistance and volunteers to put together a ceremony, as he mentioned he would bring in a guest speaker to discuss his/her memories of that fateful day.

In closing, please remember our troops on **Armistice Day** (11/11) as well as having friends/family over for **Thanksgiving** holidays. Each day should be a holiday that we celebrate our blessings, our friends, our own inner circles and those who are in need.

If you happen to donate any items to the needy veterans (food, hygiene products, blankets, coats, socks, shoes etc.), please let me know, since reporting is important to submit to District – they want to stay on top of what we as an Auxiliary are doing on behalf of, for or with veterans.

Thank you for all you do to keep a strong Auxiliary for **Bert Fuller Post 9578**.

## Honor Flight Photos

Fall is a time of change...what would you like to change most in your life? Your thoughts? Your actions? Your reactions? The definition of change is: "to undergo transformation, transition, or substitution." Hopefully your changes will be for the better, but it is not always easy. Actually, it is rarely easy to change. We are all human and human beings pretty much hate change! We are okay with "substitution"

We left from there and went up the way to visit the **Vietnam Memorial Wall**, the **Lincoln Memorial**, and the **Korean War Veterans Memorial**. The last stop was the **Navy Yard Museum**, (which is not included on all Honor Flights).

We had special access on base, and went to see pieces of ships including interactive exhibits. Most of the volunteers there are active or previous military.

**Mary** was able to meet a current active Cryptologist that is in the Navy. They were both amazed about the technology each of them used, both old and new.

On our way back to our Baltimore hotel, we still had a police escort. We arrived home quick to have a quick rest, and then another beautiful dinner. Each of the Veterans received a bag full of memorabilia of Washington D.C items, coins, and now had memories of new friends and this amazing trip!

Coming home to San Diego, everyone anticipated the arrival of the big "Welcome Home." We came down the escalator with 1,000 people greeting us. Video cameras, cheering, family, friends, strangers, shaking hands, taking pictures, hugs, and a sense of overwhelming happiness was all included.

This entire experience was amazing and I encourage everyone (who is able) to sign up or donate to this great cause. The Veterans that may not have been originally welcomed home get the greatest trip and welcome home of a lifetime.

You can always donate to Honor Flight San Diego, or help apply for a Veteran to go, or to be a Guardian at:

<http://www.honorflightsandiego.org/>

I hope we can get our Post's living WWII, Korean, or Vietnam Veterans on this trip!

and maybe okay with "transition"... but total "transformation"... not so much!!!

Here are "7 Small Changes That Will Make a Big Difference in Your Life" by **Patti Johnson**:

1. Mind your mind.
2. Separate how you feel from what you do.
3. Stop comparing.
4. Claim time for yourself at the start of each day.
5. Do something new every week.
6. Listen even when you want to talk.
7. Battle the addiction to being right.

We can choose to change. Even if the changes are very small, we CAN start somewhere, it's never too late!

Thank you to all the Auxiliary members that help and volunteer around the Post.

Together we are stronger!

Special note: Post Chaplain **Theo** and I would like to thank everyone that shared our Wedding with us. Whether you were with us in Person or in Spirit, we appreciate so much your thoughts, prayers, cards, gifts and good wishes. We are truly Blessed!

With gratitude,

**Jan**

## Chaplain's Message

To paraphrase St. Paul's Epistle to the Galatians [6:7]: "As you sow, so shall you reap". In other words, the personal consequences of one's actions are in proportion to the good or bad intentions towards others. Please reflect on that for a moment. Are you "sowing" good thoughts and feelings towards your friends, family, loved ones and

## Canteen Manager's Message

your fellow veterans? If so, you should be receiving the same in return. But if you're sowing rumors, gossip and negative thoughts and feelings, you'll undoubtedly receive likewise. In Buddhism and Hinduism, it's called "karma," the spiritual principle of cause and effect – something to remember.

**Veterans Day**, November 11, is the specified day each year on which we honor all those people who've served in the military of our great Nation, whether in time of peace or war, at home or overseas. We should respect all veterans, and take pride in our own time served in the U.S. Army, Navy, Air Force, Marine Corps or Coast Guard. And note that all active-duty men and women are future veterans!

*Heavenly Father, today we ask for your blessings on these extraordinary men and women, our military veterans, who did things most people don't want to do, went to places we would not want to visit, and lived at length in uncomfortable surroundings we can't imagine. They did what they did from devotion to our Country's freedom, honor and reputation. They endured difficult service because they are exceptional people, a cut above the rest of us. We pray that you will bless them mightily. Lord, and that you give them comforts and pleasures they so often did without. We pray that the citizens of our Country will always honor their service by frequently expressing sincere gratitude for their service to keep us safe and free. AMEN.*

Our condolences to life member **Joe Brunold**, whose wife **Pat** passed away on October 20, 2019 after a long illness. May she rest in peace. Please keep **Joe** in your prayers.

A reminder: Memorial service for Life Member Navy veteran **Chris Pipkin** will be held at 1:30 p.m. at the Post on Saturday, November 16.
