Commander's Message

An Important Message for Our Members & Their Guests

We are awaiting authorization for Post operations to commence and under what conditions we will have to adhere to (social distancing, face masks, etc.) to ensure a safe operation. Although the Post has been closed for attendance since March 16th, we are ready to open when authorized. Post officers and volunteers are standing watch to protect our Post. We are continuing maintenance so that we will be ready to open quickly and resume serving our members, auxiliary, their guests and members of the public who have come to rely on the Post for quality entertainment, events and food service.

As soon as we get the okay to resume operations, we will send out an email message to everyone on our email list.

Additionally, if you know of any veterans in the area who may not be members, please let **Carl** or I know and we'll sign them up for membership and put them on the Post distribution list.

Our Post Officer elections were conducted electronically in April and the results were:

Quartermaster's Report

The events over the last six weeks serve as a reminder to all of us that men and women cannot control all events in our world. However, it has been shown that we as human beings can properly respond to control what happens in the future.

It was very sad for us to temporarily close down our Post as it is a place of fellowship, community and good times. The Commander and I have made every effort to maintain the property, handle various issues, work to clean and keep the post facilities ready for a quick re-opening once we receive the all clear.

It is a testament to just how special the Post is to our members and the Alpine community as the response from members volunteering to help, expressing concern and supporting the post through donations has been great. We truly appreciate the wonderful response and will be ready to re-start operations to serve our members and their invited guests, along with the Alpine Community.

The Post currently is in strong financial condition, but we hope that there will soon be some light at the end of this very dark tunnel.

Our elections are now over and we are making sure that plans for our opening are in place for what we hope will come by June.

Meet Post Commander Jack Gauthier

"I decided to join the **Naval Reserves** when I was a young high school student in my junior year. That was on December 2, 1963, the day after my 17th birthday. I attended Drills in **Longview, Washington**, where I lived. During the summer of 1964, I attended six weeks of **Boot Camp at Treasure Island in San Francisco**. Then I went back to high school for my senior year. Since I was not the best of students, I did not have enough credits to graduate in June of 1965, so I had to repeat some courses to finish with enough credits. So between my first and second senior year of high school, I was sent to **San Diego for Firefighter and Damage Control** school. I returned to high school to finish my senior year while in the reserves and also worked nights at the local drive-in movie theater. I graduated in June and was called to active duty on the **USS Canberra** (named after the **HAMS Canberra** that sunk during WWII) in August and went straight to Vietnam and served two tours onboard her. I was

Meet Post Quartermaster Carl Silva

"When I dropped out of college in 1961, I realized the draft was coming, so I enlisted in January of 1962 and completed basic training at Fort Jackson and advanced training at Fort Gordon. I was placed with 7th Army 25th Signal Battalion at Kaiserslautern, West Germany. I went to German Language school because I knew my wife was coming to live with the Germans. In December of 1962, I was placed on TDY to the MPs to work with law enforcement. The Status Of Forces Agreement with Germany gave the German police more authority. In June 1964, I was sent to Fort Riley with the 1st Infantry Division. Later I was sent to Eglin Air Force base to train for jungle warfare in order to go to Vietnam. My life plan was to make a career of the Army. My wife found out that I would have to re-enlist to go to Vietnam and told me that I went she wanted a divorce. My first child was already 2 years old. I left the Army. I had a successful business career and retired in 2006.

When visiting San Diego several years ago, I found a wonderful small town named Alpine that had a local VFW post that was looking for a Quartermaster. Alpine is a great place to live and the Post is my true love."

Auxiliary President's Message

Hello to all:

As we have not been able to meet since our March meeting, we decided to forego the April meeting and instead we will do a *teleconference* for our next scheduled meeting date, 10 a.m. Saturday, May 2.

I previously sent out an e-blast to auxiliary members regarding the teleconference, including the phone number, access code etc. I will update everyone at the end of April for same, including the minutes of our March meeting for review.

released from Active Duty in August of 1968.

After my Navy tenure, I held several different jobs. I went into business for myself; I worked in two different paper mills; then I went to work as a brakeman on the **Southern Pacific Railroad**. I became a manger and later a General Manager for a short line railroad called the **San Joaquin Valley RR**, from which I retired in January 2007. I moved to **Alpine** in August of 2012 to be close to family."

Chaplain's Message

In these trying times, please note that kindness is not a weakness, so please be kind to your family, friends, neighbors and fellow veterans, because life can be short.

PSALM 1, Verses 1-3: "Happy are they who have not walked in the counsel of the wicked, nor lingered in the way of sinners, nor sat in the seats of the scornful! Their delight is in the law of the Lord, and they meditate on his law day and night. They are like trees planted by streams of water, bearing fruit in due season, with leaves that do not wither; everything they do shall prosper."

Auxiliary Life member **Vince Roussel**, partner of our **Post Canteen Manager Kimberley Rivera**, passed away at age 67 at the **Jacobs Medical Center** on April 8th after a long illness. A memorial for Vince will be held at a later date whenever social gathering restrictions due to the COVID-19 epidemic are lifted.

*O God of mercy, peace, and love, we remember before you in this moment our friend **Vince Roussel**. We recall with gratitude and respect all that he stood for in this life. Help us to live in the companionship of his spirit. May we be kind to the friends and family he loved; devoted to the community in which he lived; and loyal to the causes which he served. Thus, in our lives and hearts, may **Vince** live on, to our great comfort, to the betterment of your creation, and to the furthering of your most holy will. AMEN.*

And please remember all our fallen veterans this Memorial Day, Monday 25 May 2020.

The May 2 meeting, albeit 30 minutes or so, will include nominations and elections for next year's line officers to include President, Sr. VP, Jr. VP, Treasurer, Chaplain, Conductress, Trustee #1, #2, and #3 along with Guard (the secretary position is appointed, not an elected one). Please give some consideration to any of the positions listed, so I can take care of the online installation for the new group, to start at July 2020 meeting, whether via teleconference or if we are cleared, back at the Post.

Important note: there are several folks currently serving who have advised that they will be stepping down from their current positions and we will need others to step up to be responsible for filling those openings.

I will also be completing documentation for the new line officers to submit to our State of **California** and **National Auxiliary** including updates with the new year term 2020-21.

We will also discuss and review 28 names for our delegates list, pending whether our **California State** convention in June is on, or will be cancelled due to the current medical situation. A vote by all will be needed to have the 28 names I have listed be submitted. This 28 count is based on the number of members we have who are in good standing and up to date on their dues. Once voting has been done, that list can be submitted with payment to **State** and **National** as well.

I am respectfully requesting that everyone participating please be on the auxiliary conference call promptly at 10 a.m. on Sat. May 2. If you need the access information, please let me know asap so I can get that to you to join in for discussion. You can email me at sheliajo9578@cox.net or call/text me at (619) 990-0536 so I can promptly get the details to you.

Last note: we send our sincere condolences to **Kimberley Rivera** and the **Roussel** family on the loss of their beloved 'cowboy' **Vince**, who was also an Auxiliary member with our previous Men's Aux. He will be totally missed by all. Draping of the charter will be done sometime at a future date, once we are back at the Post.

Stay safe and stay at home, let's save lives. Talk to you on May 2 at the Auxiliary teleconference!

Respectfully submitted,

Sheila Jo

Memorial Day is May 25

Memorial Day (previously but now seldom called "**Decoration Day**") is a federal holiday in the **United States** for honoring and mourning the military personnel that had died while serving in the **United States Armed Forces**. The holiday is now observed on the last Monday of May, **Memorial Day** having been observed on May 30 from 1868 to 1970.

Many people visit cemeteries and memorials on **Memorial Day** to honor and mourn those who had died in military service (please check **San Diego County COVID-19** guidelines before visiting). Many volunteers place an American flag on each grave national cemeteries. For more information, please click on the link:

Armed Forces Day is May 16

Among the many military holidays celebrated each year is Armed Forces Day. Celebrated the third Saturday in May, Armed Forces Day falls during **Military Appreciation Month** and joins **Memorial Day**, **Military Spouse Appreciation Day** and **Victory in Europe Day (V-E Day)** as another May military-themed holiday.

The History of Armed Forces Day

On Aug. 31, 1949, **Defense Secretary Louis Johnson** announced the creation of an **Armed Forces Day** to replace separate **Army, Navy and Air Force Days**. The single-day celebration stemmed from the unification of the armed forces under one agency -- the **Department of Defense**.

In a speech announcing the creation of the day, **President Truman** "praised the work of the military services at home and across the seas." He said, "It is vital to the security of the nation and to the establishment of a desirable peace." In an excerpt from the **Presidential Proclamation of Feb. 27, 1950**, Truman stated:

"**Armed Forces Day**, Saturday, May 20, 1950, marks the first combined demonstration by America's defense team of its progress, under the **National Security Act**, toward the goal of readiness for any eventuality. It is the first parade of preparedness by the unified forces of our land, sea, and air defense."

Auxiliary Chaplain's Message

On April 8th we said a final farewell to our Dear Friend **Vince Rousel**. There are few words to comfort **Kimberley** and all the loved ones that **Vince** left behind, but it is our responsibility to them to say a prayer and be kind, gentle and understanding. Although our hearts are broken, **Vince's** journey here on **Earth** is over and he entered **Heaven** to be with his Lord and his beloved friends and family that were waiting with open arms to greet him. He is no longer in pain and he can see the spectacular splendor of God's reward to all Mankind. Bless you, **Vince**. Smile on us! Adios Cowboy. "...love from Theo's **Jan**"

*'Yet I trust, in the last great round-up,
When the rider shall cut the big herd,
That the cowboys shall be represented
In the earmark and brand of the Lord;
To be shipped to the bright mystic regions
Over there in green pastures to lie,
And led by the crystal still waters,
In that home of the sweet by and by.'* -
Jack Thorp

Decoration Day was first observed in the U.S. on May 5, 1865, with the tradition of decorating **Civil War** soldiers' graves with flowers. The observance date was later moved to May 30th and included American graves from **World War I** and **World War II** and became better known as **Memorial Day**. In 1971, Congress moved **Memorial Day** to the last Monday in May. Raise your flag high and proud on this **Memorial Day**, Monday, May 25, 2020.

*'Hear our prayer for all who have died,
whose hearts and hopes are known to you
alone ...
Hear our prayer for those who put the
welfare of others ahead of their own and
give us hearts as generous as theirs ...
Hear our prayer for those who gave their
lives in the service of others, and accept the
gift of their sacrifice ...
Comfort those who grieve the loss of their
loved ones and let your healing be the hope*

National Military Spouse Appreciation Day is May 8

Military spouses are celebrated on the Friday before Mother's Day in May. On **Military Spouse Appreciation Day** we honor the contributions and sacrifices made by military spouses. Their commitment and support help to keep our country safe. America's military spouses are the backbone of the families who support our troops during mission, deployment, reintegration and reset. Military spouses are silent heroes who are essential to the strength of the nation, and they serve our country just like their loved ones. In celebration of **Military Spouse Appreciation Day**, the armed forces have special events and programs to inform, honor, and recognize military spouses around the world. Events range from spouse appreciation luncheons to educational workshops, and spouse employment fairs that pay tribute to military spouses. Source: MilitaryBenefits.info

SD County HSD Recommendations

We urge all to follow the basic steps recommended by the San Diego County Health Services Department:

How to protect yourself

Practice everyday preventive actions to help prevent the spread of respiratory viruses, including:

- Wash your hands often with soap and water for at least 20 seconds.
- If soap and water are not available, use an alcohol-based hand sanitizer. It should be at least 60% alcohol.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- **Clean and disinfect frequently touched objects and surfaces often.**
- Avoid close contact with people who are sick.
- If you are sick, stay home and keep your distance from others to protect them from getting sick too.
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash.
- Practice other good health habits. Get plenty of sleep, be physically active, manage your stress, drink plenty of fluids and eat nutritious food.

April 27th SDC Health Order Update

Starting Monday, April 27, the following will be allowed in the ocean and bays: swimming, surfing, paddle boarding and kayaking. Recreational boating is still banned. However, each city is responsible for deciding whether to open its beaches. Check before visiting. Beach parking lots need to remain closed.

Starting May 1, some restrictions will be relaxed for parks and golf courses if they can enforce social distancing. Operators of a park or golf course need to create and post a plan for how they will do that. Social distancing and safety templates for

(5/12/1820 - 8/13/1910) was born in **Florence, Italy**. She volunteered to aid British troops in **Turkey** during the **Crimean War**, where she improved hospital sanitary conditions and greatly reduced the death rate for wounded and sick soldiers. She received worldwide acclaim for her unselfish devotion to nursing, contributed to the development of modern nursing procedures, and emphasized the dignity of nursing as a profession for women.

Let us all say a silent prayer, considering the current situation, for the heroic efforts of all our nurses, both female and male. Bless and keep you and your Families and our heartfelt "Thank you"!

*"Let me dedicate my life today,
in the care of those who come my way.
Let me touch each one with healing hand,
and the gentle art for which I stand.
And then tonight when the day is done,
Let me rest in peace, If I've helped just
one." - Anonymous*

What the SDC Health orders mean

- Everyone needs to stay home except to take care of essential needs or go to an essential job.
- Practice social distancing. Keep at least six feet away from other people unless they're household members. Avoid gatherings of any size.
- You should wear a face covering when leaving home. Cloth facial coverings don't have to be medical grade but should cover your nose and mouth. Homemade masks, bandanas, scarves and neck gaiters are OK since you can wash and reuse them.
- It is strongly recommended you stay home, unless you need medical care, if:
 - You are over 65 years old
 - Have a chronic underlying health condition
 - Have a compromised immune system
 - Have mild to moderate symptoms of COVID-19

parks & beaches and golf courses:

If they maintain social distancing:

- Parks can reopen parking lots, with limitations.
- Park visitors can sit, lie down, picnic if they practice social distancing.
- Members of a family or household can play active sports, such as basketball.

Starting May 1, everyone must wear face coverings anywhere in public they come within 6 feet of another person.

What's been closed?

- Dine-in areas of restaurants
- Bars and nightclubs.
- Gyms and fitness centers
- Hair and nail salons
- Entertainment venues
- Beach and public park parking lots. Some parks are closed.
- Public events and gatherings

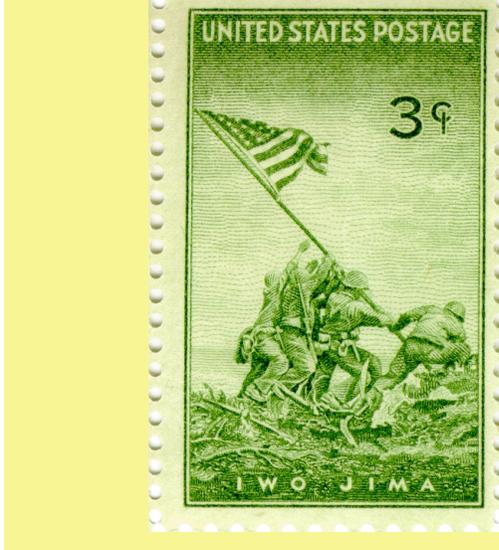

What is open?

You need to follow social distancing when you visit these essential services, including:

- Grocery stores, farmers markets, food banks, convenience stores
- Restaurants for take-out, delivery or drive-through
- Pharmacies
- Banks
- Laundromats/laundry
- Hardware/home improvement stores
- Airports and public transportation
- Childcare (see below)

Essential government services are still available. Many government agencies have closed public offices but are offering services online, over the phone or other ways.
