news & updates

July 2021 Alpine, CA

Commander's Message

Comrades,

Thank you for the support and words of encouragement as my time as your **Post Commander** begins.

On June 19th, the **Post** had **Alpine Boy Scout Troop 105** as our guests for the **Flag Retirement** (burning) ceremony. Six hours and over **1,200** flags later, the scouts completed the ceremony. These boys and Scoutmaster **Ed Thibault** deserve a great deal of praise and respect as they did all of this on one of the hottest weekends of the year thus far. (**Troop 105** has a rich history in Alpine dating back to 1946: The initial charter was the **Alpine Community Church**. In 1949, the charter was transferred to the **Alpine Men's Fellowship** was again transferred in 1951 to its current sponsor, the **Alpine Kiwanis**).

We would love to have you come up to the **Post** and support the **Post Auxiliary** on **July 4th** for live music - the **Sickstring Band** - and great **BBQ** while also enjoying the downstairs Canteen bar area.

Quartermaster's Report

Our **Post** has now become a beehive of activity with return to normal life. We thank all members, auxiliary and guests who continued to support the **Post** during that difficult recent period. The summer is now upon us, so we look forward to seeing you at your **Post**.

We are working to improve our food service program; we are now seeing much higher food costs.

We are completing the expansion of our parking lot to gain **six** new spaces and which will improve traffic flow.

The pandemic impacted our **Color Guard** staffing this past year, so we are trying to recruit new members. If you want to serve your country and your **Post**, please contact me to uniform up and work with myself and **Chaplain Theo**. We had the only **VFW Color Guard** in our **VFW District** and we hope to be able to continue our service for Military Funerals and school presentations of our Flag.

We are all very proud of **Mike Buxton**, our new **Auxiliary** president; we look forward to his contributions to both the **Auxiliary** and the **Post**.

The **Auxiliary** added **seven** new members who applied last month through the **Quartermasters** office and were properly processed. All spouses, sons and daughters of veterans who served overseas with hazardous duty are encouraged to become

Please join **Michael Buxton** and myself on **Saturday, July 17th** from **11 a.m. - 3 p.m.** for a chance to sit out on the **Post** deck in an informal meet and greet. Please join me in welcoming the 2021 - 22 **Post House Committee**:

John Rizzo, Allisen Earls, Richard Simmons, Joel Murillo and Mark Traplay. They will be choosing a Chairperson at the upcoming meeting.

Chaplain's Message

On **July 4th**, we Americans honor and acknowledge the founding of our great nation 245 years ago. We in the United States usually celebrate with fireworks, parades, carnivals, fairs, picnics, concerts, baseball games, family reunions, political speeches and other ceremonies. That's all well, but let us never forget the basic reason our Nation was formed: "**Freedom**"!

Lord God Almighty, in whose name the Founders of this Country won liberty for themselves and for us, and lit the torch of freedom for nations then unborn: Grant that we and all the people of this land may have the grace to maintain our liberties in righteousness and peace. AMEN.

Last month, **Post Life Member Curtiss Massey** passed away in **El Cajon** at age 71 (**Curtiss** was the widower of our **Post's**

well. Finally, no masks required to be worn when visiting the Post! It has been a long road for everyone. We are starting to ramp up for various events this year. The **Post's Annual BBQ** will happen this year in

October, date to be confirmed at the next monthly members meeting. More events coming we have to take it slow to build up to where we were before the pandemic.

The **Auxiliary** is hosting a **4th of July** bash, check with the post for times and price. Thanks to **JR** and **Fred** for refinishing the downstairs bard counter which really looks nice. The rock breaking for more parking is almost finished, and the **Post** should gain six additional parking spaces.

We are working on plans for improving the access ramps and parking. Plans have been drawn for the deck extension project followed by the front entrance way.

If you have a suggestion (or complaint) about anything at the Post please bring it to the meeting or put it in writing. If you do put it in writing and place it in the Suggestion Box: if it doesn't have your name and signature on it - well, it must not have been that important.

If you have any questions or concerns for the **House Committee**, please bring them to the 11 a.m. **General Meeting** held on the second Saturday of each month and we will be happy to hear them.

God Bless and look forward to seeing you at the **Post**.

John

Auxiliary President's Message

My name is **Michael Buxton** and it is an honor and privilege to be your **Auxiliary President** for the 2021 - 22 year.

former bar manager **Pam Massey**). I've been unable to locate any of his family, so at this writing any service for **Curtiss** at the **Post** is uncertain. However, his friends at **The Landing** cocktail lounge, located at 1185 East Main Street in El Cajon will host a **Celebration of Life** at 11 a.m. on Sunday, July 11.

*O God of mercy, peace, and love, we remember before you in this moment our friend and fellow veteran **Curtiss Massey**. We recall with respect all that he stood for in this life. Help us to live in the companionship of his spirit. May we be kind to the friends and family he cared for; devoted to the community in which he lived; and loyal to the causes which he served. Thus, in our lives and hearts, may **Curtiss** live on, to our great comfort, to the betterment of your creation, and to the furthering of your most holy will. AMEN.*

Post 9578 Chaplain
Theodore Bazdorf

I was eligible to be an auxiliary member due to my grandfather's service in **WWII** for the **Army** in the Pacific. Although decorated in combat, he (of course!) never shared his story with the family, but it was known he was proud of his actions there. It was with that same pride and spirit of service that when he passed he gave his estate to educate his grandchildren. I am forever grateful for his gift of a paid-for undergraduate college degree and as a thank you to him, I am here to serve.

I am here to honor all those that are currently serving their country, those that have served the **United States**, those that have served in a foreign war and those that are buried at the grounds where their service was completed abruptly.

There is a wonderful community here at **Post 9578** and I am looking forward to meeting many more of you and look forward to working with you all to support **Post 9578** and the veterans that it supports.

Although I may be relatively new to the **Post**, I am not new to voluntary service and leadership therein. I hope to bring a fresh energy with the ability to empower the team to perfect current events and ideas, bring back some old ideas and create new ones. I am very much looking forward to the year and hope that you are too.

I am very happy to be working with **Post Commander John Sullivan** on ways that the **Post** and the **Auxiliary** can work together and be one power when needed.

I would also like to see the **Auxiliary** work more closely in assisting the post. With that goal in mind, **Commander Sullivan** and I would like to invite you to a "**Meet & Greet**" at the post on **Saturday, July 17th** from 11 a.m. to 2 p.m., where you can come meet us and share the ideas that you may have to support the Auxiliary, the Post and its Veterans.

We have much to celebrate already this year with a very successful fundraiser on **Memorial Day** where **JR** wowed us with his ribs and the **Auxiliary** thanked the **Post** members present with a free meal. If you see **Denny** at the **Post**, please ask him how he saved a life that day.

Please join us on **July 4th** at the **Post** where **JR** will be serving BBQ chicken. This will be a complete event with a live country band, **The Sickstring Outlaws** and refreshments - all happening at the

Thank you to the outgoing **Auxiliary**

Auxiliary Chaplain's Message

Has **Independence
Day** become more
about picnics, parades
and fireworks than a
respectful reflection of
our freedom?

Respect means that you
accept somebody for who they are, even
when they're different from you or you don't
agree with them.

Respect in your relationships builds feelings
of trust, safety, and well being.

Respect doesn't necessarily come naturally
– it is something you learn.

1. Listen
2. Affirm
3. Serve
4. Be Kind
5. Be Polite
6. Be Thankful

Respect means treating others the way you

want to be treated.
Being considerate and honoring the feelings, opinions, and property of others.

Self-respect means being good to yourself and not putting yourself down; taking care of yourself.

Receiving respect from others is important because it helps us to feel safe and to express ourselves.

Our freedom is built on respect for one another, our opinions, our hard work, and our Unity. Enjoy your 4th and respect our independence! Drive safely. Let someone go ahead of you. Hold a door. Smile!

*Dear God, we thank you for each day. Please help us to **respect** and love everyone, including and especially those that are different from us. Help us to be kind and patient with one another and always show **respect**.*
