Commander's Message

An Important Message for Our Members & Their Guests

The Post has been closed for attendance since March 16th and we are standing by for the word as to when we can reopen. In the meantime, Post officers and volunteers are standing watch to protect our Post. We are keeping up with maintenance so that we will be ready to open quickly and resume serving our members, auxiliary, their guests and members of the public who have come to rely on the Post for quality entertainment, events and food service.

I want to assure all that we are taking the necessary precautions to ensure that we have a safe environment.

As soon as we get the okay to resume operations, we will send out an email message to everyone on our email list. If you know of any veterans in the area who may not be members, please let **Carl** or I know and we'll sign them up for membership and put them on the distribution list.

Our next Post membership meeting is scheduled for 11 a.m. Saturday, April 11th. At that meeting, we have nominations and

Quartermaster's Report

Our nation is facing an unprecedented invasion of an invisible enemy – the COVID-19 virus and our national, state and local leaders have proscribed severe measures for us to take in order to reduce the spread of the virus – especially among our most vulnerable populations, including our veterans.

After my own military service, I owned and managed multiple location retail operations for 30+ years. During my lifetime, I have never experienced an operations shutdown of this magnitude. Having said that, I am confident that our Post operations will weather this storm - as we have built a very strong foundation, thanks to your support over the years.

The primary duty of the **Post Quartermaster** is to "Protect the Post." Here are the steps we are taking now and for the foreseeable future:

We have carefully positioned our post's financial position to ensure that we remain in overall good shape. Of course, the loss of our normal food & beverage cash flow is putting pressure on our current situation, but the Post does have adequate reserves and the various revenue contracts that we have will continue to cover the Post's basic expenses. The Post's business is being conducted daily to ensure continued operations in the future.

will hold elections for our next term of officers. Please consider volunteering for one of the offices and help guide our Post's future.

We will email out a message beforehand regarding the meeting or if we have to re-schedule.

I hope everyone is staying safe, following the health guidelines and limiting exposure.

Jack

Post Commander

Post Needs Your Support!

The Alpine VFW Bert Fuller Post 9578 seeks new members. Please do your part in referring eligible veterans to our Post to become members. During this difficult time, we need to reach out to veterans in this area who have not joined and let them know we are a resource for them. Please let Jack or Carl know of any area veterans you would like to have in our membership.

Chaplain's Message

Most of us are only here on this planet for 70, 80 or 90 years (and unfortunately, sometimes a lot less!), so we should strive to be the best person possible. Self-improvement only can be accomplished *after* recognizing the need to make a positive change in one's life.

Following are eleven behaviors to avoid in your life so that you'll have the best chance to be all that you can be as a decent human being, according to psychologist **Mark Chernoff**:

- (1) Don't be envious of others;
- (2) Don't take everything personally;
- (3) Don't act like a victim;
- (4) Don't cling to pain and loss;
- (5) Don't obsessively think negatively;
- (6) Don't lose emotional self-control;
- (7) Don't make superficial judgments about others;
- (8) Don't be cruel or lack empathy and compassion;
- (9) Don't cheat or cut moral corners;
- (10) Don't deny your own truth; and
- (11) Don't need constant validation or approval.

Almighty God, we know that everything is in your sovereign control. We ask that you keep the COVID-19 Coronavirus from continuing to spread. Give government

The physical safety of the Post is being maintained daily with volunteers and officers in attendance while maintaining social distance and following recommended protocols. Our Post's property is secure and both the **Quartermaster** and **Commander** are monitoring the situation.

Every veteran's phone call to the Post is being fielded and handled properly. We have signed up four new members in March.

Although at this writing we do not have a "reopen date" we are keeping abreast of national, state and local government guidance and will reopen as soon as we are given the green light. We will notify all members via email blast when we have a date.

We have scheduled activities for April in the event that we get the okay to reopen. Those events are listed in this newsletter. We will send out an email advising if the events will be held, so please check your email regularly for our updates. If you are not sure if a scheduled event will still be occurring, please check your email first or call the Post prior to coming.

I am available to answer any questions or assist veterans with any issues they may face. Please call the Post at (619) 445-6040 to reach me.

Auxiliary President's Message

Hello and happy April to all – flowers, spring and all fresh renewals! We had a great meeting in March with two guest speakers:

officials the ability to safely handle people arriving from other countries. Help people decide to stay home instead of traveling or going out needlessly. Holy Spirit, remind people to follow all suggested health-safety measures. Please comfort families as they decide to keep their distance from elderly or other high-risk family members. AMEN

“God is our refuge and strength, an ever-present help in trouble. Therefore, we will not fear, though the earth gives way and the mountains fall into the heart of the sea ...”
[Psalm 46:1-2 (NIV)]

We received notice that Post Life Member **Charles Newsom** passed away last month at age 82. We pray that he rest in eternal peacefulness.

Auxiliary Chaplain's Message

In April we will celebrate **Easter** on the 12th and **Passover** on the 9th. And we will honor millions on April 21st, on **Holocaust Remembrance Day**.

"I am only one, but still I am one. I cannot do everything, but still I can do something; and because I cannot do everything, I will not refuse to do something that I can do."

Edward Everett Hale, American Author

Dear Lord,

Thank you for helping us and carrying us through this difficult time; the uncertainty of these deep waters and through the pain of hard losses. We are constantly aware of how much we need you, your grace, your strength, your power working through us, even on the toughest days. We ask for your wisdom, for your strength and power to be constantly present within us. We pray you would make us strong, patient, caring and courageous for the road ahead. Give us ability beyond what we feel able, let your gifts flow freely through us, so that you would be honored by our lives, and others would be drawn to you. Amen

Blessings during these very trying times. Our prayers are with you all until we can meet at our beloved Post 9578 and once again share hugs!

SD County HSD Recommendations

We urge all to follow the basic steps recommended by the San Diego County Health Services Department:

How to protect yourself

Practice everyday preventive actions to help prevent the spread of respiratory viruses, including:

- Wash your hands often with soap and water for at least 20 seconds.
- If soap and water are not available, use an alcohol-based hand sanitizer. It should be at least 60% alcohol.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- **Clean and disinfect frequently touched objects and surfaces often.**
- Avoid close contact with people who are sick.
- If you are sick, stay home and keep your distance from others to protect them from getting sick too.
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash.
- Practice other good health habits. Get plenty of sleep, be physically active, manage your stress, drink plenty of fluids and eat nutritious food.
