Commander's Message

Comrades,

As the end of the year quickly approaches, I want to thank all of the **Post Members** and volunteers whose hard work has been going on at the **Post**.

As you can see, the recent expansion of the deck has been completed and our new security camera system is up and running - and 100 times better than our old system! None of this would be possible without the support of you, our **Post Members** and volunteers; and of course, the support of our **Alpine** community. I would like to thank each and every member who allows our community the chance to experience the **VFW**. That being said, there are a lot of your friends and family members, and members of the community that come to our **Post** regularly; and most (if not all) of them may actually qualify in some way for either **Post** or **Auxiliary** membership. It is our job as Members to recruit these individuals, so that this **Post** can continue to succeed for years to come.

Congrats to our **Quartermaster Carl Silva**

Quartermaster's Report

November has come and gone with very pleasant Thanksgiving memories and looking forward to Christmas just around the corner.

My Thanksgiving memory is coming to the Post at 7:30 a.m. during the biggest wind storm I have experienced here in many years. The crash of the wind taking down our giant **VFW** sign (that can be seen from Interstate 8) was very scary.

Despite the windy conditions, the **Thanksgiving Dinner** at the **Post** was a great success. **East County Transitional Living Center Staff** provided the food and it was an outstanding meal. We also have to shout out a big "thank you" to **ECTLC Head Chef Bobby Jefferies** for coordinating the event.

You should note that the Post is still collecting Email addresses from all people of good will to ensure that our monthly email newsletter has a very wide circulation so all know of our **Post** special events, meals, live entertainment and general information.

Please make every effort to attend our **Post General Meeting** at 11 a.m., **Saturday, Dec. 11th**. Your comments and suggestions are always welcome. We need our members' active participation to improve the operations of the **Post**.

I would like to thank **The Alpine Sun** for the front page article about my second time award as an **Aide-de-Camp** to the **National VFW Commander Matthew M. "Fritz"**

on his title of **Aide-de-Camp** to the **National VFW Commander!** You can read about it in **The Alpine Sun** under the headline: "**Silva goes National**". Please see the story at: [The Alpine Sun](https://thealpinesun.com/vfws-silva-goes-national/) or go to: <https://thealpinesun.com/vfws-silva-goes-national/>

I know you can see the other changes in the **Post**, primarily speaking of our walls. If you have any questions or comments, please contact **Todd Greenwood, President** of the Riders group at Ttgrnwd@gmail.com for answers/clarification.

I want to thank everyone who came out to celebrate the life of our dear brother and comrade **Benny Cope**. It was one of the hardest services I have ever had to do, but having all of you there let all of us and his family know truly how much he meant to this **Post** and community. Please continue to keep **Benny's** family and especially his wife **Marcia** in your thoughts and prayers.

In closing, I hope you all have a wonderful holiday season and a **Happy New Year**. Don't forget about the **Children's Party** coming up Saturday, December 4th.

The Post will also be having a **Pearl Harbor** remembrance ceremony at 5 p.m. **Tuesday, December 7th - Pearl Harbor Day**.

Please come out to the Post for our **General Meeting** at **11 a.m. Saturday, December 11th**. Attend the meeting to have your say in the current and future operations of **VFW Bert Fuller Post 9578**.

If you need me reach out, please call me at **(858) 729-3911**. I am here for you - the **Veterans**, the **Auxiliary**, our families and the community of Alpine!

Until next time comrades,

John

Chaplain's Message

Our **New Year's** "Resolutions" often fade from memory before January is over. Instead, we should just resolve to continually, honestly evaluate how we are

Mihelcic, who was elected the 113th **Commander-in-Chief of the Veterans of Foreign Wars of the U.S.** on Aug. 3, 2021, at the 122nd **VFW National Convention** in Kansas City, Missouri. I was very surprised to learn how much **National** knows about our wonderful **Post**.

Our **Celebration of Life** for **Post Life Member Benny Cope** was a very moving ceremony for all of us. He will be missed. Our deepest sympathies go out to his wife **Marcia** and family.

As I have stated before, the future of the **VFW** depends on our ability to attract new members and make sure we retain our present members as well. Please make an effort to identify eligible **veterans** and then just give us those names. We will make the presentation regarding the value of membership to our **Post** and the **VFW**.

Please remember that your **Quartermaster** is always available 24/7 to work with you on any problem. Also, please regularly attend **Post** events and support our great "Home on the Hill."

House Committee Report

Comrades:

I hope everyone had a great Thanksgiving - we all have a lot to be thankful for.

The deck extension is finally finished; the contractors did a fabulous job. The deck coating will last a long time. We are going to put Plexiglas on the East and West sides to block the wind; and install curtains on the South side. The new camera system installation is complete. We now have coverage 360 degrees inside and out. All the cameras have night vision, and have zoom in and out capabilities. The system has 90 days worth of memory. Good stuff. All the projects that were voted on are now complete.

Mark re-striped the parking lot and we are planning to resurface it in the spring. Our

living these lives that we've been granted. For example, are we being faithful to our family and loved ones, offering support whenever and wherever needed? And how can we improve ourselves and the lives of those beings we come into contact with? Thus, we are constantly putting ourselves in a position to improve our lives and relationships.

"Consult not your fears, but your hopes and your dreams.

Think not about your frustrations, but about your unfulfilled potential.

Concern not yourself with what you tried and failed in, but what it is still possible to do.

Now is the time to put aside past and present setbacks and failures and look with confidence to the new day called tomorrow." Pope John XXIII (1881-1963)

For the New Year 2022 and years to come:

Saturday Night Entertainment at the Post in December

next project (if the weather holds up) is to coat the deck with a better product. It is starting to lift at the seams, **Mark** and I are going to try and secure the edges.

Post Commander John, myself, and others are going to go over the **Post House Rules**. We hope to have a rough draft before the **Saturday, Dec 11th General meeting**.

If you know of a veteran in need, or an active duty service member that needs help during the holidays, please let **Chaplin Theo** or myself know about it.

If you have a friend who has overseas military campaign experience or someone in their family does, they may be eligible to join the **Post**. Please encourage them to pick up an application to join at the **Canteen**. Questions concerning **Post** or **Auxiliary** membership may be directed to **Quartermaster Carl**.

Auxiliary President's Message

Happy December! It is that time of the year again where we are right in the holiday season, in the middle of thanks and joy. I hope that you all had an amazing **Thanksgiving** celebration with dear friends and family.

I am thankful for this great organization and thank you for all the efforts this year that have gone into celebrating and supporting our **Post** and **veterans**.

On **Veteran's Day**, we were honored to celebrate the names on the **Post 9578** wall as well as all of those who have served; are serving; and those that have given the ultimate sacrifice. A great team of **Auxiliary members** served the **Post** burgers; and over 40 meals were donated and served free for the Veterans in attendance.

The **Auxiliary** thanks everyone that has come down to join us for lunch and the

The **Post 9578 Auxiliary** hosted the **District 1 Membership meeting** on November 23rd. Thank you to everyone that helped out on this great event. We were able to show off our amazing **Post** and also what we are able to do as a team. **Auxiliary members** from all over the district enjoyed the sunset with pulled chicken sandwiches with an arugula pomegranate salad. We also celebrated the new members of this organization.

Now is the time to recruit some amazing new members for our **Post**. Please talk to your friends and family about the options of joining the **Post** or **Auxiliary**. Please feel free to have anyone contact me if they think they may be eligible to join the **Auxiliary**.

Please attend the **VFW Post Auxiliary Meeting** held at **10 a.m.** on **Saturday, December 4th** at the **Post**.

As the year comes to an end, let us remember those that have sacrificed along the way to keep things running as normally as possible in this trying year. Also as this difficult year comes to a close, please join me in remembering the wonderful people who we said goodbye to this year. We as an **Auxiliary** look forward to a great new start in 2022 and have some amazing plans for great things. Stay posted for these ideas and events. Happy December, everyone!

THE VFW RIDERS GROUP OF POST 9578 IS A NON-PROFIT ORGANIZATION WHO PROMOTES MOTORCYCLE SAFETY, COMMUNITY INVOLVEMENT, AND COORDINATES MENTAL AND PHYSICAL AWARENESS FUND-RAISING EVENTS TO BENEFIT OUR U.S. MILITARY VETERANS AS ADVOCATES OF THE BERT FULLER, VETERANS OF FOREIGN WARS POST 9578 IN ALPINE, CALIFORNIA.

very important for me to keep that separation of religion verses ministering. An

Auxiliary Chaplain provides spiritual and emotional guidance when needed or requested, always bringing dignity and respect to the occasion.

To minister to anyone and everyone. That would be difficult for me except for these facts:

There are an estimated 10,000 distinct religions worldwide. About 84% of the world's population is affiliated with Christianity, Judaism, Islam, Hinduism, or Buddhism.

Christianity - Love one another as I have loved you. The 10 Commandments are the foundation of God's moral law.

Judaism - The most important teaching of Judaism is that there is one God, who wants people to do what is just and compassionate.

Islam – Declaration of faith, prayer, charity, fasting, pilgrimage.

Hinduism - Follows Karma, cause & effect. For example; a good deed will lead to a future beneficial effect.

Buddhism – A state of compassion, insight, peace, and steadfastness.

These all sound very similar to me, don't you think? We are not that different after all!

As 2021 comes to an end, let us all take a moment to realize that most human beings just want peace, love, and kindness in their world. They want to do good and be good.

Last night of Hannukah, December 6th - Hanukkah Sameach, may all of your lights become brighter!

Pearl Harbor, December 7th – This year marks the 80th commemoration of the attack on **Pearl Harbor**. Let us pray:

O Lord, we humble ourselves in your presence to remember our men and women who served our country so valiantly. Let us never forget the 2,403 souls that were taken at Pearl Harbor. May we be willing to follow their example when duty calls. Amen
