## Commander's Message

Comrades,

Thank you for electing me once again to serve you and this great Post of ours.

I want to thank our amazing **VFW Post 9578 Auxiliary** and the volunteers who made our **Memorial Day** special. We truly appreciate our awesome president **Nancy** and the auxiliary members supporting our veterans with smiles and love.

I want to thank our **Post** maintenance man **Mark** for all of his hard work setting up for the **Memorial Day** ceremony. Thank you, **Rich Simmons** and **Theo** as well as **Jan** and **Nancy** for making this one of our best remembrance ceremonies yet.

Please continue to keep our **Past Post Commander** and comrade **Jack** in our thoughts and prayers and in doing so please keep his loved ones in your thoughts and prayers as well.

In closing as always, I am honored to be your commander and deeply appreciate all

## Quartermaster Report

I was inducted into the **U.S. Army** in September 1958 at the American Legion in Morristown, New Jersey. I was sent to boot camp and advanced tank training at **Fort Hood**, Texas. Subsequently, I was deployed to **Korea** in August 1959, serving as a tank crewman in a tank battalion of the **7th Infantry Division** up near the **DMZ**. On my return to the States in September 1960, I was released from active duty in **Oakland**, California, having earned the **Korea Defense Service Medal**. I returned to my hometown in **New Jersey** for seven months before I had an opportunity to move to **San Diego** in April 1961 with a former high school classmate serving in the **U.S. Navy** there.

After working as a facilities control clerk for **General Dynamics Astronautics** in Kearny Mesa, I got a job as an accounting clerk at **San Diego Gas & Electric Company** in 1962. During that time, I completed my **Army Reserve** obligation at **Fort Irwin**, California and received my **Honorable Discharge** from the **Army** in August 1964. I had worked my way up to **Staff Accountant** at **SDG&E** before leaving in 1970 to complete my business degree at **San Diego State University** under the **GI Bill**.

I graduated from **SDSU** in January 1972

of you as members and patrons of this great **Post!**

If you need to reach out to me, please call me at **(858) 729-3911**. I am here for you - the **Veterans**, the **Auxiliary**, our families and the community of **Alpine!**

God Bless you and God bless the United States of America!

## Chaplain's Message

From my **Soldier's Bible** (Holman Standard Version), **Galatians 5:22-23, 25-26** -- "But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faith, gentleness, self-control. Against such things there is no law. If we live by the Spirit, we must also follow the Spirit. We must not become conceited, provoking one another, envying one another."

Compare this with the **Twelve Lakota Virtues** (essential to "Balance and Happiness"): Humility, Perseverance, Respect, Honor, Love, Sacrifice, Truth, Compassion, Bravery, Fortitude, Generosity, Wisdom. According to Native American author **Joseph M. Marshal III**, "following these 12 virtues creates a practical way of life that adds to the well-being of society."

It's more than interesting or coincidental that many of our Earth's religions promote the same ideas of just being a good person who knows right from wrong and how to

and began a series of accounting jobs for several small companies in **San Diego**. In 1977, I signed on with **Mission West Properties**, a publicly-traded real estate investment and development company in **San Diego**, which eventually moved its offices to **Del Mar**. During my tenure there, I continued my business education in evening classes, earning a Master's degree at **National University** in June 1982. By then, I had worked my way up to **Chief Financial Officer**.

By June 1989, I felt a need for a change from corporate life, and resigned to start my own photography studio in **Solana Beach**, appropriately called "**Theo Photography**". I closed this business after only two years and went to work as **Credit Manager** for **Crydom Corp**, a solid-state relay manufacturer ("maquiladora") in **Tijuana, Baja Mexico**. It was from there I finally retired in February 2009. By then, I had been living in **Alpine** for over 15 years, so I began volunteering here with **Feeding America**, the **Alpine Community Center**, and the **ALFA Bookstore**.

In December 2010, our late **Quartermaster Carl Silva** signed me up as a life member of **Alpine VFW Post 9578**. I was elected **Post Chaplain** the following year, and began helping **Carl** with Quartermaster administrative and bookkeeping duties.

With **Carl's** passing, I was elected **Quartermaster** last month to take his place. I very much realize **Carl's** legacy here at the **Post**, and I intend to do the best I can in this position for as long as I can. Thank you for your confidence and support.

respect oneself and others. We should all review, reflect and apply these in our daily lives and while at our **Post**.

Our **Past Commander Jack Gauthier** is seriously ill in Grossmont Hospital. Let us pray for him:

*Almighty God, we ask and pray for your healing grace in behalf of Jack Gauthier, presently hospitalized. May he know the blessing of improved health in this hour and throughout his life. Bless, Oh Lord, all who minister to Jack in body, mind, and spirit. Grant him strength and endurance, relief from pain and suffering, the blessing of a swift recovery, and finally, that he may dwell with you in life everlasting. AMEN.*

UNWAVERING SUPPORT

FOR UNCOMMON HEROES®

### Auxiliary President's Message

The **Post 9578 Auxiliary** voted at our last meeting to send money to **Rainbow Oaks** restaurant in

northern San Diego County to support meals for veterans. Did you know that owner **Jeanene Paulino** plays "The Star-Spangled Banner" national anthem at noon every day to show support for veterans and our country? An "influencer" came in while it was playing one day, and later posted online that she had "never felt more scared or threatened in her life." Veterans have been coming out in droves to support the business and they are trying to support the veterans by comping as many of their meals as they can.

The **Auxiliary** participated in the **Memorial Day service** at the **Post**. The names of the comrades on the wall were read by **John Sullivan**, and **Nancy Hauer** read the names of the **Auxiliary** members. **Auxiliary chaplain Jan Bazdorf** read the closing prayer.

After the ceremony we provided a complimentary meal to veterans and their spouses. Others enjoyed lunch by giving a

## Auxiliary Chaplain's Message

Wow... as you are reading this my only daughter, **Anna**, will be getting married on Thursday, June 1st in **Temecula**. We have waited a long time for this joyous occasion. Family and friends from all over the country AND South America (my second son and his wife) will be gathering for this happiest of days. We are so proud to welcome **William** into our family! **Theo** will be performing the ceremony for them – so happy about that as well!

This event makes me think... why don't we get together more often? Why do we oftentimes wait until a major event takes place to gather with friends and family? Making the time to be together, to share, to celebrate, to listen, to console – this is so important for all of us. As much as we love to have “a few minutes to ourselves” in our busy lives, it is always a boost to be around our loved ones. It is also great for our

Pretending to be from a popular tech company, scammers will try to convince you that your computer or laptop is infected and they want to immediately remote in to it, and then will gain access to your personal and financial information...

#### What To Do Next – Action Steps:

- If a caller: Hang up the phone and...
- If a pop-up: Immediately shut down the pc/laptop and...
- If an email: Close your email program, shut down your pc/laptop and...
